

## **,STEWARTFIELD COMMUNITY COUNCIL**

### **Correspondence Received Sept/Oct 2009**

#### **1. STUC Rebuilding Collective Prosperity campaign**

The STUC have written to us to seek our input and support for the above campaign, their priorities is:

- Rebalance the economy
- Equality and Justice
- Defending people and their jobs
- Investing in public services
- Just transition to meet the challenge of climate change

I will have further details and correspondence if anyone wants to view.

#### **2 Public Liability Insurance**

Margaret Armstrong has confirmed that the people using council premises are covered by SLC Public Liability insurance, what is not covered is if a organisation meets within the premises and a incident occurs because of their activities, e g an electrical appliance is brought in and someone receives a shock,

#### **3. EK Community Trust**

We have received a further e-mail from St Leonard's Community Council stating that they have retracted certain items from the original e-mail to ensure that they had no intent to defame either of the Kean or King families.

They are still of the opinion that another location other than Calderglen Country Park should have been chosen.

#### **4. National Community Conference 2009**

A "Community Engagement and Action around Alcohol Issues" conference will be held at the Radisson SAS Hotel Glasgow on the 8 December 2009.

The conference is aimed at all who work in community settings where alcohol issues forms part of their remit. It is intended for a broad audience of community activists, teachers, practitioners and workers.

The delegate rate is £45.00 which includes lunch.
